The detailed reviewer comments can be accessed by logging into your CMT (Microsoft CMT) account at:
https://cmt3.research.microsoft.com/

Please find below the Camera-Ready Paper Submission Guidelines. Authors are requested to read these carefully before preparing their final paper.

Camera-Ready Paper Submission Guidelines
Authors of accepted papers are requested to submit the camera-ready version of their paper using the IEEE double-column format. Authors are advised to include complete information for all authors and co-authors as per standard IEEE format in the final camera-ready submission, specifically:
* Full name(s) of all authors and co-authors, listed in the correct author order.
* Complete institutional affiliation(s) for each author (department, university/organization, city, country).
* Corresponding author's email address (at minimum); email addresses for all authors are recommended.

1. Paper Specifications
- Paper length: Maximum 6 pages.
- Paper size: US Letter (8.5 x 11 inches).
- File format: PDF only.
- File size: Maximum 2 MB.
- Use the IEEE double-column template.
- Fonts: Please ensure that all fonts are properly embedded. Authors are advised to check font compliance using IEEE PDF eXpress.
- Do not add page numbers to the paper.
- Do not apply any security settings to the PDF.

Important: Papers that do not comply with these specifications may be rejected.

2. Camera-Ready Submission
- Final submission is mandatory, even if no changes are made to the original paper.
- Before preparing the final paper, carefully read the Author Information and submission guidelines.
- Prepare the final paper using the IEEE template.
- Authors must complete conference registration before uploading the final paper.
- The registration code will be required for the final submission.
- Use the same username and password used during the initial submission.
- The final PDF must be checked for IEEE Xplore compliance using IEEE PDF eXpress.
- The PDF eXpress link will be provided separately.
Special Note: Conference registration is mandatory for camera-ready paper submission. The camera-ready submission will not be accepted without a valid registration code, so authors are advised to complete their registration well in advance.

3. Conference Registration
2026 IEEE INDISCON Registration:
Registration link: https://konfhub.com/ieee-indiscon-2026

Note: Early Bird Registration is enabled till 4th September 2026. Authors are strongly encouraged to register early to avail of the discounted registration fee.

4. Plagiarism and AI Policy
Authors must ensure that their submissions are original and free from plagiarism, and must comply with IEEE policies on publication ethics and responsible use of AI-generated content. Any use of AI-generated text, figures, images, or code must be appropriately disclosed as required by IEEE policies. Authors are responsible for the accuracy, originality, and integrity of their submissions.

5. Final Checklist
Before submitting, please ensure that:
- The paper is no longer than 6 pages.
- The paper follows the IEEE double-column template.
- The PDF is within 2 MB.
- All fonts are properly embedded.
- No page numbers are added.
- No PDF security settings are applied.
- Conference registration has been completed.
- The PDF has been checked using IEEE PDF eXpress.
- The final paper has been submitted through the CMT portal / submission system.

We request all authors to keep an eye on their email and their CMT account for further updates, as timely camera-ready submission and registration are mandatory for the paper to be included in the conference proceedings.

For any queries in the meantime, please feel free to reach out to us.

Thank you for your patience and cooperation.

Warm regards,
Dr. Arun Kishor Johar
On behalf of the 7th IEEE India Council International Subsections Conference (INDISCON 2026) Organizing Committee
